Report: Talk on G-20 and Aero Sports

Venue: Conference Hall, T S Paul Manipur Women's College, Mongsagei, Imphal

Date: 18 February 2023

A talk on the G-20 and Aero Sports was organized by the Department of Sociology and IQAC, T S Paul Manipur Women's College at the college Conference Hall, Mongsagei, Imphal. The event was graced by Shri O. Priyokumar Singh, Secretary, Shrimati Th. Nandita Devi, Principal, Smt. O. Swarnalata Devi, President Teachers' Association, T S Paul Manipur Women's College as Chief Guest, President, and Guest of Honour respectively.

Internationally renowned personalities were the two speakers, namely Shri Abhijit Chavda, Theoretical Physicist, and Capt. Imochaoba Singh, Chief Pilot of Hot Air Balloon. The speakers elaborated on the respective topics and a large number of teachers and students not from the college but also from other colleges also attended the event.

Shri Abhijit Chavda's talk elaborated on the following points:

1. What the G20 is.
2. The objectives of the G20.
3. The limitations of the G20.
4. The history of the G6, G7, G8, and G20 groupings.
5. The G20 presidency.
6. What India is doing differently as G20 president.
7. The opportunities that the G20 presidency provides to India at multiple levels.
8. The G20 summits and the preparations and groundwork involved.
9. The Sherpa track.
10. The finance track.
11. The engagement groups.
12. Think 20 tracks.
13. Business 20 track.
14. Civil 20 track.

Principal
T.S. Paul Manipur Women's College
Mongshangei, Imphal-West
Manipur

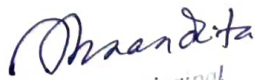

15. Women 20 track.
16. Youth 20 track.
17. Science 20 track.
18. Details of his involvement in the Science 20 track proceedings.
19. Relevance of G20 in the current global geopolitical scenario.

Shri Abhijit Chavda is a theoretical physicist, historian, geopolitical analyst, writer, and podcaster. His work in theoretical physics has involved research on the topics of dark matter, dark energy, black hole physics, quantum gravity, and physical cosmology. He has authored and co-authored several research papers on these topics. He has served as a scientific peer reviewer for *Physica Scripta*, a major international scientific journal for experimental and theoretical physics. He is a member of the consultative group to the Principal Scientific Adviser to the Government of India.

Capt. Imochaoba Singh talked about the vision of Shri Narendra Modi, Hon'ble Prime Minister of India to make the Nation one of the top sports nations by 2030 by providing a safe, affordable, and enjoyable, air sports ecosystem in India. He elaborated on the National Air Sport Policy 2022 and the participation of youth in sustainability and development. The main objectives of organizing such activity in the state will create the promotion of air sports culture and develop Manipur as one destination for Aero sports lovers across the globe providing job opportunities for the youth. He also explained the scope of these activities in the international purview and the natural advantages that Manipur has.

Capt. Imochaoba Singh is the only hot air balloonist in India holding the Flight Instructor Rating (balloon) No.01 issued by DGCA, Government of India which is the highest qualification in the field of hot air balloons. He is also the only civilian instructor who has trained the personnel of the Indian Army and Indian Navy in hot air ballooning. He became an active part of the Hot Air Ballooning map of the world as he has represented the country in the World Hot Air Balloon championships organized every two years by the Federation Aeronautique Internationale, an international organization for Aero Sports recognized by the International Olympic Committee.

After the question and answer session, the event was concluded with a vote of thanks.
