One-Day Training on Candle and Incense Stick Making

Date: 20th March 2023

Venue: T. S. Paul Manipur Women's College

Objective:

The one-day training program on candle and incense stick making was organized with the objective of empowering local women by imparting practical skills that could enhance their livelihood opportunities.

Participants:

The training was attended by 20 local women from surrounding communities. These participants were primarily homemakers and individuals seeking alternative sources of income.

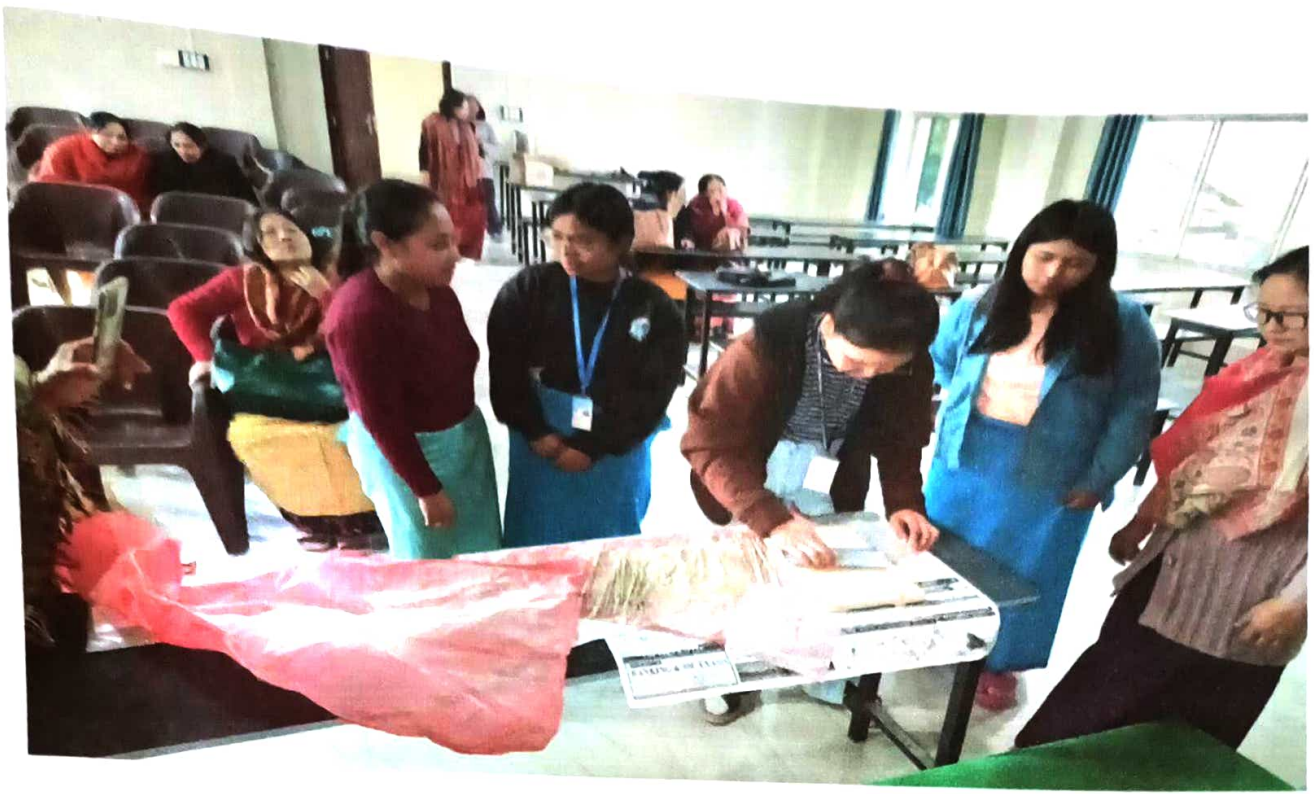

Program Schedule:

- **Introduction and Welcome:** The program commenced with an introduction to the significance of candle and incense stick making in generating income and fostering entrepreneurship among women.
- **Theoretical Session:** A brief theoretical session was conducted to familiarize participants with the basic concepts, materials, and techniques involved in candle and incense stick making. Safety precautions and quality standards were also emphasized during this session.
- **Practical Demonstration:** An experienced instructor demonstrated the step-by-step process of candle and incense stick making, showcasing various techniques and creative designs that participants could replicate.
- **Hands-on Training:** Participants were provided with materials and equipment to engage in hands-on practice under the guidance of the instructor. This session encouraged active participation and skill development among attendees.
- **Q&A and Feedback:** A question-and-answer session was held to address any queries or concerns raised by participants. Feedback was collected to assess the effectiveness of the training program and identify areas for improvement.
- **Certificate Distribution:** Certificates of participation were awarded to all attendees as recognition of their successful completion of the training program.

Outcomes:

- **Enhanced Skills:** Participants acquired practical skills in candle and incense stick making, enabling them to pursue entrepreneurship opportunities or supplement their household income.
- **Empowerment:** The training program empowered local women by providing them with valuable knowledge and resources to become self-reliant and economically independent.
- **Networking Opportunities:** Participants had the chance to interact with each other and exchange ideas, fostering a sense of community and collaboration.
