Skill Enhancement Course on Mushroom Cultivation

A One-Day Workshop and Hands-on Training on Skill Enhancement Course for Mushroom Cultivation have been organized on 5th April 2023 from 10.00 am to 3.00 pm at T.S. Paul Manipur Women's College at college campus. The programme was conducted by department of Biotechnology where Dr. Lakshmibala Kshetri (Assistant Professor, Head of Department) and Dr. Dayabati Sagapam (Assistant Professor) acted as convener and co-convener respectively. The workshop was participated by faculty members and students from various colleges across the state. The workshop was graced by Mrs. Thangjam Shanti Devi, Mushroom trainer expert trained from Solan, Himachal Pradesh as resource person and Mrs. Thiam Nandita Devi, Principal T.S.P.M.W.C. The resource person demonstrated the hands-on training to the participants and talked about how Mushroom cultivation can be considered as a skill enhancement and give employment opportunity to the students and even unemployed youths mainly in rural and semi-urban areas with low cost effectively.

The participants of the One-Day Workshop cum Hands-On Training Programme on Mushroom Cultivation (SEC-I) on 5th April 2023.

Outcome of the Programme:

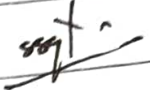

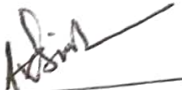

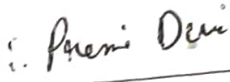

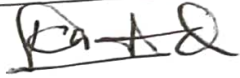

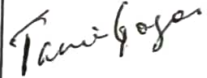

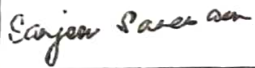

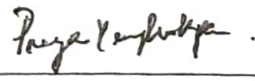

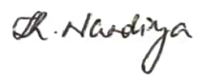

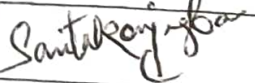

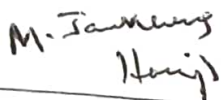

- The participants (Students and faculties) gained the knowledge of how mushroom is cultivated and its process.
- Ensured the enhancement of family income at cost of less investment. Mushroom production or cultivation has significant role to alleviate poverty and generate employment opportunity for educated unemployed youth in rural and semi-urban areas.
- They are not only getting the required training for cultivation but earning a handsome amount that is supporting their livelihood.
