About the Awareness Program

October, adorned in pink, marks Breast Cancer Awareness Month, a global initiative dedicated to raising awareness about cancer, advocating for early detection, treatment, and support for those affected by the disease. Throughout this month, individuals, organizations, and communities unite in a powerful display of solidarity, spreading knowledge, fostering hope, and honoring those who have fought or are currently battling breast cancer. From educational campaigns to fundraising events, the world turns its attention to this vital cause, emphasizing the importance of regular screenings, research advancements, and compassionate care for all individuals impacted by breast cancer.

BREAST CANCER AWARENESS AND SCREENING PROGRAM REPORT

Date: October 19, 2022

Time: 11:00 AM - 2:00 PM

Venue: T. S. Paul Manipur Women's College
Mongshangei, Imphal West

Program Coordinator: Dr. Dayabati Sagapam

Introduction:

On October 19, 2022, a significant breast cancer awareness and screening program took place at T. S. Paul Manipur Women's College in Mongsangei, Imphal West. This program was organized as part of Breast Cancer Awareness Month (October) and was jointly coordinated by the NCD Clinic, Community Health Centre (CHC) in Wangoi, and Trevi Hospital in Langol Laimanai. The event aimed to raise awareness about breast cancer, its early detection, and the importance of self-breast examinations. The program was open to participation by teaching staff, non-teaching staff, and students of T. S. Paul Manipur Women's College.

Program Highlights:

1. History and Significance of Pink Ribbon:

The program commenced with a briefing on the history and significance of the Pink Ribbon, which has become a global symbol for breast cancer awareness. This presentation provided context for the importance of addressing breast cancer and promoting early detection.

2. Demonstration of Self-Breast Examination:

One of the key aspects of the program was a practical demonstration of self-breast examination techniques. Attendees were educated on how to perform self-examinations, which are crucial for the early detection of breast cancer. This hands-on approach empowered participants with the knowledge and skills needed to monitor their breast health.

3. Participation of Distinguished Spokespersons:

The program featured a panel of distinguished healthcare professionals who shared their expertise and insights with the audience. The spokespersons included:

Principal
T.S. Paul Manipur Women's College
Mongshangei, Imphal-West
Manipur

Dr. Ningthoujam Sushila Devi (Medical Officer Incharge, CHC Wangoi): Dr. Devi provided valuable information on the medical aspects of breast cancer and its management.

- Dr. Nissel Maibam (M.O., CHC Wangoi): Dr. Maibam contributed to the discussion with her expertise in the field of breast cancer screening and prevention.

- Melee Devi Maibam (Physiotherapist, CHC Wangoi): Ms. Maibam discussed the importance of physical health and well-being in the context of breast cancer.

-Dr. Chungkham Somila (M.O., CHC Wangoi): Dr. Somila shared insights into the holistic approach to breast cancer care and support available at CHC Wangoi.

-Dr. Priyadhani (RMO, TREVI Hospital): Dr. Priyadhani provided information about the role of hospitals in diagnosing and treating breast cancer cases.

Conclusion:

The Breast Cancer Awareness and Screening Program held at T. S. Paul Women's College was a resounding success in promoting awareness and education about breast cancer. The combination of informative presentations, practical demonstrations, and expert input from healthcare professionals ensured that attendees left the event with a deeper understanding of breast cancer and the tools necessary for early detection.

This program exemplifies the importance of community engagement and collaboration between healthcare institutions, educational establishments, and the public in addressing critical health issues like breast cancer. By raising awareness and encouraging proactive health practices, such events contribute significantly to the well-being of individuals and the broader community. The organizers and participants are to be commended for their dedication to this vital cause.

The event concluded at 2:00 PM, leaving a lasting impact on the attendees and reinforcing the importance of regular breast self-examinations and early detection in the fight against breast cancer.
