The Internal Quality Assurance Cell (IQAC) at T.S. Paul Manipur Women's College, Mongshangei, Imphal West, in collaboration with NG College, Imphal Manipur, organized a "One Day NAAC Sensitization Programme," aiming to educate the teaching and non-teaching staffs on NAAC Accreditation. The primary objective of the programme was to emphasize the significance of NAAC Accreditation as a hallmark of quality assurance for colleges. Commencing with a warm welcome by Dr. Khumukcham Nongalleima, Assistant Professor, Department of biotechnology and keynote address by Mrs. Th. Nandita Devi, Principal of T.S. Paul Manipur Women's College, the program featured experts Thiyam Rockin Singh, IT Nodal Officer & Assistant Professor (Geography) at NG College, Maibam Runajit Singh, Technical expert at NG College including Dr. Bijaya Thongatabam, Coordinator of IQAC at T.S. Paul Manipur Women's College sharing their knowledge on NAAC accreditation process. During the sensitization program, the experts elaborated on the different steps in the process of NAAC accreditation and the seven distinct criteria of assessment and guided attendees on navigating through the accreditation and assessment procedures. The process of NAAC begins with the registration of the institution on the NAAC official website followed by Institutional Information of Quality Assessment (IIQA) submission. Post submission and approval of IIQA, the institution submits its Self Study Report (SSR) report. After the submission of SSR, Data validation and verification (DVV) and Students Satisfaction Survey (SSS) occurs parallelly. DVV and SSS is followed by the on-site visit by the NAAC peer team. The last step of NAAC accreditation is institutional grading. The seven distinct criteria of SSR preparation are as follows:

1. Curricular aspects
2. Teaching, Learning and Evaluation
3. Research, Innovation and Extension
4. Infrastructure and Learning Resources
5. Student Support and Progression
